(End of Summary of Changes)

**The following items are applicable to this modification:**

RESPONSES TO INQUIRES

Question:

The Bid schedule calls to repave Bronson Rd. to include maintenance, repair, and construction of site facilities including, but not limited to, roads, pavements, pavement striping, sidewalks, curbs and gutters, drainage systems, bollards, and environmental controls as described on sheet C104. However, when you look at sheet C104, it only refers to a striping plan. There is no reference to repaving at all. Furthermore, there is no reference to a "small job #18" on your list of small jobs.

ANSWER

On Sheet C104, detail BROWNSON ROAD STRIPING PLAN, the hatched area represents the area to be milled and repaved. There is a note with an arrow pointing at the hatched area that reads BID OPTION#2, MILL AND PAVE 2" OF ASPHALT PAVEMENT.

Please see revised specifications Section 01 11 00 and Section 01 14 00 along with revised drawings which will include a revised drawing of Sheet C104 with this amendment.
